SENATE BILL

No. 1294

Introduced by Senator Berryhill

February 23, 2012

An act to add Section 22900 to the Government Code, relating to public employee benefits.

LEGISLATIVE COUNSEL'S DIGEST

SB 1294, as amended, Berryhill. Public employee health benefits: Mariposa County.

Existing law requires the Board of Administration of the Public Employees' Retirement System to administer the Public Employees' Medical and Hospital Care Act. Existing law requires a contracting agency and a public employee or annuitant to contribute a portion of the cost of the employee's or annuitant's health benefits coverage. Under existing law, the employee's or annuitant's contribution is the total cost per month of coverage less the portion contributed by the employer. Existing law prescribes a minimum level for the employer's contribution toward the employee's or annuitant's health benefits coverage.

This bill would authorize the County of Mariposa and the employees' exclusive representative to enter into an agreement providing that the employer's health benefit coverage contribution is subject to a memorandum of understanding *if* agreed upon through collective bargaining, or by a resolution adopted by a majority of the board of supervisors *for employees not represented by a bargaining unit*. ~~Under the bill, This bill would provide that the employer contribution under~~

~~such an agreement~~ a memorandum of understanding or resolution could be higher than that required by statute. The bill would also authorize an agreement between the employees' exclusive representative and the County of Mariposa that permits higher employer contribution for annuitants than for employees, except as specified.

This bill would make legislative findings and declarations as to the necessity of a special statute for the County of Mariposa.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 22900 is added to the Government Code,

6 coverage shall be subject to the following:

7 (1) ~~A~~*In the case of employees represented by a bargaining*
8 *unit, a memorandum of understanding regarding health coverage,*
9 *mutually agreed upon through collective bargaining, or, in the case*
10 *of employees not represented by a bargaining unit, a resolution*
11 *adopted by a majority of the county board of supervisors, providing*

17 (B) Providing an employer contribution amount for annuitants
18 that is higher than the employer contribution provided for
19 employees, except that any employer contribution may not be less
20 than the adjusted employer contribution required by subdivision
21 (b) of Section 22892. This subparagraph shall only apply to an
22 employee who retired before the effective date of the memorandum
23 of understanding or resolution adopted pursuant to subdivision
24 (a). If the memorandum of understanding or resolution establishes
25 a retroactive effective date, this subparagraph shall apply only
26 prospectively, and any employee who retires before the

28 adopted shall be subject to this subparagraph.

1 (2) This subdivision shall not affect the obligations or benefits
2 of either the annuitants or the county that exist at the time of the
3 enactment of this section.

4 (b) The County of Mariposa shall provide, in the manner
5 prescribed by the board, a notification of the agreement established
6 pursuant to this section and any additional information necessary
7 to implement this section.

8 SEC. 2. The Legislature finds and declares that a special law
9 is necessary and that a general law cannot be made applicable
10 within the meaning of Section 16 of Article IV of the California
11 Constitution because of the unique circumstances in the County
12 of Mariposa with respect to public employer and employee
13 contributions to health coverage.
